

CR-522

Scale Inhibitor

DESCRIPTION CR-522 is a blend of a phosphate based scale inhibitor plus a scale dissolving material. A third ingredient is added as a dispersant.

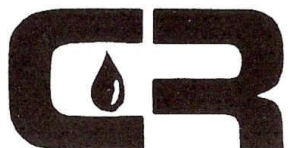

ADVANTAGES Especially effective where make-up water purity is poor. Proper usage can result in scale removal as well as prevention of deposits.

CAUTION

Avoid contact with eyes, skin or clothing. May cause burns.

FIRST AID

In case of contact remove contaminated clothing and shoes. Flush eyes or skin with water for 15 minutes. Call a physician. Wash clothing before reusing.
